

January 2025

PRESIDENT'S MESSAGE

Dear Natomas Community,

Happy New Year! As we embark on 2025, I am filled with excitement and optimism for what lies ahead for our vibrant business community. With the energy and momentum we've built together, this promises to be a year of growth, connection, and opportunity.

First and foremost, I'd like to extend my congratulations to our newly elected Mayor, Kevin McCarty. Mayor McCarty has long been a champion for economic development and innovation in Sacramento, and I look forward to collaborating with him to strengthen the economic foundation of Natomas. Together, we will work to attract new investments, support our local businesses, and create lasting opportunities for our community.

This year is packed with events designed to help you grow your business and expand your network. Mark your calendars for these key opportunities:

- **State of Natomas** – Join us this spring as we explore the future of our community. Hear updates from local leaders and gain insights on the initiatives shaping Natomas.
- **Monthly Mixers** – Build your connections with fellow business professionals in a relaxed, social environment. These gatherings will take place on the third Thursday of every month, hosted by various local businesses.
- **Lunch and Learns** – Stay ahead of the curve with our educational sessions featuring guest speakers on topics vital to your business success. These events will be held monthly, offering practical tools and valuable knowledge.

As we kick off the new year, I encourage you to take full advantage of your membership. Whether it's through attending events, joining a committee, or simply sharing your ideas, your involvement is the key to our collective success. Here's to a prosperous and impactful year ahead!

Together, we will continue to grow and shape the future of our community.

Warm regards,
Alyssa Lozano
